April 7, 2026

Don Quijote Co., Ltd. (Headquarters: Tokyo, President and CEO: Kosuke Suzuki) will open "Don Quijote Togoshi

Ginza Store" in Shinagawa, Tokyo on Wednesday, April 22, 2026. The store is located in the Togoshi Ginza Shopping Street, which stretches for approximately 1.3 km. The shopping street is a popular spot for "eating while walking" and often featured in various media, attracting many domestic tourists.

■ A hybrid model combining community engagement and tourism.

The Togoshi Ginza store is designed as a hybrid space rooted in the area's historic shopping street known serving as a familiar daily destination for local residents while offering fresh discoveries for visiting tourists. Spanning three floors from the basement to the second floor, the store provides an optimal and enjoyable shopping experience. As a unique highlight, the store offers frozen drinks perfect for on-the-go enjoyment, served in original limited-edition design cups, along with exclusive merchandise such as T-shirts available only at this location.

The first floor and basement floor are Quick,

convenient, and ready to eat

Featuring ready to eat items like rice balls and prepared foods, the store caters to street food demand and busy local lifestyles.

A curated selection of everyday necessities ensures quick, seamless shopping and helping customers make the most of their time.

Second Floor Daily and Trending items

We have expanded the selection of hard-to-find items in the area, including colored contact lenses, beauty devices, perfumes, and other trend-driven products. This floor offers a curated space where customers can relax, explore, and enjoy a moment of indulgence after a busy day of shopping.
